Benefitting

Maddie's Fight Foundation is a 501 (c)(3) non-profit organization named after Maddie Lane Demers, a beautiful, vibrant, active and fun loving 10 year old who was diagnosed with Multi Centric Osteogenic Sarcoma, a rare bone cancer, in May of 2016. Sadly, it was in almost every bone in her body, and her lungs. After aggressive chemotherapy and an experimental protocol, Maddie lost her brave fight on January 5, 2017.

On what would have been her 18th birthday, we will be having a tailgate birthday party celebration inside the stadium with a live performance by the Tom Jackson Band and you're invited.

Today Maddie's Fight Foundation is dedicated and determined to provide support to children and their families battling cancer, as well as, giving financial support for the research of Osteosarcoma. Visit [www.maddiesfight.org](http://www.maddiesfight.org) to learn more.
